Thank you very much for helping collect these signatures to give the Board of Education proof that there are LARGE numbers of county residents who are opposed to the new sex-ed curriculum for 8th and 10th graders. More information on the new curriculum is available at www.mcpscurriculum.com

Sample Announcement:

Volunteers will be in the foyer today to collect signatures from those who oppose Montgomery County Public Schools' new Health (sex) Education Curriculum. This important issue is one all parents should speak up about. Please stop by to sign the petition to the Board of Education.
