Dear Connection Resource Bank Member:

Please accept the enclosed certificate in appreciation of your dedication to our students during the 2006–2007 school year. You are a valuable partner in our efforts to enhance student achievement in the Montgomery County Public Schools (MCPS).

We hope that we can count on your continued support. If there are any changes to your availability as a participant in the Connection Resource Bank (CRB), please contact the Division of Family and Community Partnerships at 301-279-3100 or e-mail me at Gail_S_Woolf@mcpsmd.org.

If you would like to recommend other volunteers, you may contact me or refer them to the CRB Web site at www.montgomeryschoolsmd.org/departments/crb. New volunteers can register online by visiting the volunteer section and submitting the individual registration form.

Thank you again for providing your time and talents. The MCPS staff and students value your contributions. We look forward to a continued partnership with you in the 2007–2008 school year.

Sincerely,

Gail Woolf, Coordinator
