Regina,

As a gay teacher I am appalled by your organization. Remember, HOMOPHOBIA is the problem for gay-related issues, NOT being gay. I hope you take a long look in the mirror one day and realize that you have no scientific information to back up anything you do. I can't believe you would think a person can change their sexuality. Can a white person turn black? I don't think so. STAY OUT OF OUR SCHOOLS AND LEAVE OUR CHILDREN ALONE!
